

NICHOLS SCHOOL

THREE FOR ME

WELCOME TO NICHOLS SCHOOL

Three for Me is THE parent volunteer program, sponsored by the Nichols School PTSA. **Three for Me** is a promise. A promise from parents or caregivers to our children and our school that you will volunteer **THREE** hours of your time throughout the school year. That's **ONLY** three hours for the ENTIRE school year!! You may, of course, volunteer more than three hours.

Research shows that children who have families actively involved in their school achieve better grades and are more likely to graduate, continue through college and establish significant careers. Don't we all want that for our children? Good education isn't just about teachers and schools. It's also about what parents do that counts!!

Please take a moment to look over the **Three for Me** volunteer opportunities list. Make this simple promise to your child and our school. This program can only be successful when caring parents and community members come together and get involved.
